Covid-19 Statement

Screen Printing is our passion, and we are lucky to have so many great customers. The safety and well being of our employees and customers is of utmost importance to us. Given the temporary closure of public spaces in Minnesota, we have decided to close our retail storefront to the general public. Please know we are still open for business! Below you will find some information, and temporary policy changes we are asking customers to follow:

- As of March 16, 2020 we foresee no interruptions to FedEx, UPS, or Speedee Shipments, or to our local delivery vehicle.
- If you have a will call order that needs to be picked up we ask that you please call ahead and place your order over the phone, or through our website. Please also call ahead to make sure your order is ready for pick up.
- When you arrive to pick up your order please come to the door on the west side of our building (42nd Street) that is labeled "Will Call".
- When you enter the building please practice social distancing, and keep a minimum distance of six feet between you and others.
- If you are showing symptoms of the flu we may ask you to wait outside for your order.

Let's help each other by taking these simple steps to stop the spread, and stay healthy. Please check back or feel free to call us for updates since the situation is changing quickly.
